WORK EXPERIENCE

E&A Technologies

Web Developer Intern

jun 2025 - August 2025

- Built responsive web interfaces using HTML, CSS, and JavaScript with a focus on clean UI and performance. Used Git, APIs, and dev tools for debugging. Created portfolio and landing pages to enhance frontend skills.

EDUCATION

Holy Cross English High School Nirmal

SSC - 76.60

2022 - 2023

Completed SSC with a strong foundation in Mathematics, Science, and English, developing key analytical and communication skills for academic and personal growth.

Bhausahab Vartak Polytechnic

Diploma in Computer Engineering

2023 - 2026

- Acquired advanced knowledge in computer engineering with a focus on core disciplines such as programming, web development, and computer networks.
- Developed practical skills through a combination of academic projects, internships, and hands-on learning experiences.

PROJECTS

Password Generator – Python

- Designed a secure password generator using Python, allowing users to customize password length and complexity, enhancing online safety.

Personal Portfolio Website – HTML, CSS, JavaScript

- Crafted a responsive and animated personal portfolio showcasing skills, projects, and contact details. Includes dark, form validation, and interactive scroll effects.
